

Modular Manhole Covers

Forecourt Solutions are pleased to offer two alternative modular cover ranges. Such modular assemblies are ideal for use where only partial access is normally required and intermittently complete access. In such applications single piece covers would be prohibitively expensive and usually required assisted lifting mechanisms which can be avoided using modular techniques. Such covers also provide a significant HSE advantage by minimising the open entry size.

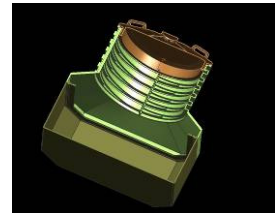

Electrical Draw Pits

Pipe & Cable Entry Boots

Flexible Hose Assemblies

Tank & Dispenser Sumps

Forecourt Solutions range includes an all composite version available in a range of sizes reflecting those commonly required in the utility industries. Alternatively our custom design service is able to provide a huge range of sizes of composite covers within modular galvanised steel frames tailored to meet you individual requirements

Composite modular range features and benefits

- Lightweight and easy to handle
- Water resistant options
- Non slip surface finish
- Non Corroding
- Non Sparking
- Non Conductive
- Covers finished flush with finished surround
- High security locking available to restrict access
- Customer specific labelling and identification
- In-stock for fast delivery

Custom Designed Modular Covers

This range shares many of the advantages of our standard sized modular cover range but allows a client to specify the size of the required cover. We then use composite covers suitably rated for the required load rating in a galvanised steel matrix frame to provide a one off customised solution.

- Lightweight and easy to handle
- Water resistant
- Non slip surface finish
- Covers finished flush with forecourt surface
- High security locking options available to restrict unauthorised access
- Customer specific labelling and identification

Should you require a large span modular cover please give us a call and we will be happy to discuss you requirements and offer advice of potential solutions to meet your requirements. Or contact your local Forecourt Distributor!
